This Note is being issued in conjunction with that certain Promissory Note, dated of even date herewith, by and between Maker and Lender, a copy of which is attached hereto as Schedule C and is incorporated herein by reference (the "*Promissory Note*").

**SECTION 1
PRINCIPAL AND INTEREST**

A. Principal. The outstanding principal balance of this Note at any one time is the sum of all loan advances listed on the Loan Schedule (each a "*Loan Installment*" and, collectively, the "*Loans*"). The outstanding principal balance shall not exceed the Maximum Loan Amount. Each Loan Installment will be evidenced by a written notation of Lender on the Loan Schedule and will constitute a valid and binding obligation of Maker in accordance with the terms and conditions contained herein as of the time at which such notation is made; provided, however, any evidence of Maker's receipt of a wire transfer of a Loan Installment or any other external evidence that such a Loan Installment has been made by Lender will be sufficient evidence and will constitute a valid and binding obligation of Maker to repay such Loan Installment to Lender pursuant to the terms of this Note.

B. Interest. Interest shall accrue on the outstanding principal balance hereof at a [REDACTED] (the "*Interest Rate*"). After the Maturity Date or during the existence of an uncured Event of Default (as defined below), interest shall accrue at a [REDACTED] (the "*Default Rate*"). Such interest shall be paid [REDACTED]

SECTION 2 PAYMENTS

B. Prepayments. Except as otherwise indicated in this Note, this Note may not be prepaid in whole or in part at any time prior to the Maturity Date without the prior written consent of Lender.

C. Application of Payments. All payments made by Maker under this Note shall be applied first to accrued and unpaid interest on the unpaid principal balance and the remainder to principal.

D. Cancellation of Note. Upon the (i) conversion of this Note or (ii) payment in full of the outstanding principal balance of this Note and accrued and unpaid interest and any premiums thereon, this Note will be automatically cancelled and Maker’s payment obligations hereunder will be extinguished; provided, however, that the cancellation of this Note shall not affect the obligations of Maker pursuant to the Promissory Note.

SECTION 3 OTHER PAYMENT TERMS

A. Waivers. Maker hereby waives presentment, demand for payment, notice of non-payment, protests, notice of protests, notice of dishonor and all other notices in connection with this Note. No waiver by Lender shall be deemed to have been made unless such waiver is in writing and signed by Lender. Lender reserves the right to waive or refrain from waiving any right or remedy under this Note. No delay or omission on the part of Lender in exercising any right or remedy under this Note shall operate as a waiver of such right or remedy or of any other right or remedy under this Note. A waiver on any one occasion shall not be construed as a bar to or waiver of any such right or remedy on any future occasion.

B. Event of Default. For purposes of this Note, “*Event of Default*” means any one or more of the following events, conditions or acts:

(i) Maker fails to make any timely payment of any amount due under this Note or the Promissory Note within [REDACTED] of demand therefor;

(ii) Maker fails or neglects to comply with the notice requirements set forth in Section 5.1(F) and such failure has not been cured within [REDACTED] after such failure first occurs;

(iii) except as otherwise provided herein, Maker fails or neglects to comply with or to perform in accordance with any material provision, or a material breach by Maker of any of its covenants, representations or warranties, contained in this Note or any other agreement or instrument between Maker and Lender, including without limitation the Promissory Note, that is not cured within [REDACTED] after Maker receives notice of such failure;

(iv) except as otherwise provided herein, Maker (a) shall institute any proceeding or voluntary case seeking to adjudicate it bankrupt or insolvent, or seeking dissolution, liquidation, winding up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or

seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official, (b) shall be generally not paying its debts as such debts become due or shall admit in writing its inability to pay its debts generally, (c) shall make a general assignment for the benefit of creditors, or (d) shall take any action to authorize or effect any of the actions set forth in this subsection 3(B)(iv); or

(v) except as otherwise provided herein, any proceeding shall be instituted against Maker seeking to adjudicate it a bankrupt or insolvent, or seeking dissolution, liquidation, winding up, reorganization, arrangement, adjustment, protection, relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official, and any such proceeding shall remain undismissed or unstayed for a period of ninety (90) days or any of the actions sought in such proceeding (including, without limitation, the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official) shall occur.

C. Remedies Upon an Event of Default. Upon and after the occurrence of an Event of Default, Lender shall have the right without presentment, notice or demand of any kind, to accelerate this Note and to declare all of the obligations of Maker under this Note immediately due and payable.

D. Additional Expenses. If this Note or any principal or interest thereon is not paid when due, whether by reason of acceleration or otherwise, and this Note is placed in the hands of any attorney or attorneys for collection (whether or not litigation is commenced) or for representation of Lender hereof in connection with bankruptcy or insolvency proceedings, Maker promises to pay, in addition to the other amounts due hereon, the reasonable costs and expenses of such collection and representation, including reasonable attorneys' fees and expenses. Until Lender is fully paid, such costs and expenses shall be added to the obligations of Maker under this Note, shall be payable on demand and shall bear interest at a rate equal to the Default Rate.

**SECTION 5
COVENANTS OF MAKER**

5.1 Affirmative Covenants. Maker covenants and agrees with Lender, for so long as this Note remains outstanding, it will:

A. Furnish to Lender:

(i) as soon as available and in any event within thirty (30) days after the end of each calendar quarter, an unaudited balance sheet and unaudited statements of operations, cash flows and members' equity, showing the financial condition of Maker and its subsidiaries for each such calendar quarter;

(ii) as soon as available and in any event within ninety (90) days after the end of each fiscal year of Maker, an unaudited balance sheet and unaudited statements of operations, cash flows and members' equity, showing the financial condition of Maker and its subsidiaries for such fiscal year;

(iii) concurrently with each set of financial statements delivered pursuant to clauses (i) and (ii) of this subsection, a "no default" certificate signed by a Manager of Maker; and

(iv) technology commercialization reports summarizing Maker's science and technology development, business development, and other indicators of economic impact on a form provided by Lender, as may be amended from time to time, provided that such disclosure need not include trade secrets or confidential proprietary data relating to Maker's Intellectual Property (as defined below). Maker shall submit such reports on or before the end of each calendar quarter until the Maturity Date or until this Note is converted by Lender.

B. Allow Lender and such agents, advisors and counsel as Lender may designate to visit and inspect any of the properties of Maker, examine the books of account of Maker, make copies therefrom and discuss the affairs, finances and accounts of Maker with its officers and employees and accountants (and by this provision Maker hereby authorizes said accountants to discuss with Lender and such persons its finances and accounts), at reasonable times and with reasonable prior notice during normal business hours. All such visits and inspections shall be conducted in a manner that will not unreasonably interfere with the normal business operations of Maker. Maker will furnish to Lender such other information as it from time to time may reasonably request. The provisions of Sections 5.1(A) and 5.1(B) will not be in limitation of any rights Lender may have with respect to the books and records of Maker, or to inspect or discuss its affairs, finances and accounts, under the laws of the State of Indiana.

C. Maintain and preserve its existence, rights and privileges, and become or remain duly qualified and in good standing in each jurisdiction in which the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary.

D. Establish administrative and cost allocation standards to enable Maker to appropriately determine that the expenditures by Maker of the Loan proceeds are made consistent with the terms of this Note and the Promissory Note. Maker may be subject to at least one financial review regarding the use of Loan proceeds (the "*Audit*") to ensure compliance with the terms of this Note and the Promissory Note, Maker's application and Indiana Code § 5-28-16, *et. seq.* Each Audit shall also be conducted by an independent accounting firm selected by Lender. Lender anticipates conducting one (1) Audit during the term of the Note or as soon as reasonably practicable thereafter. Maker shall be responsible for paying, within [REDACTED] any bill forwarded to Maker for an Audit; provided that the aggregate amount of expenses Maker shall be responsible for all Audits combined shall not exceed [REDACTED]. If Maker fails to timely pay any such bill, Lender shall have the right to directly pay for the Audit from undisbursed Loan proceeds, in addition to its other remedies.

E. Maintain its status as an "Indiana business", as such term is defined in Indiana Code § 5-22-15-20.5(b).

F. Give Lender written notice: (i) immediately upon the occurrence of any Event of Default under this Note, together with a written statement of the action being taken by Maker to remedy such Event of Default; (ii) no less than sixty (60) days in advance of the closing of any proposed Liquidity Event; (iii) promptly upon the occurrence of an event which results in an adjustment to the Conversion Price as set forth in Section 4; (iv) no less than ninety (90) days in advance of the closing of an IPO or any other event requiring a mandatory conversion as provided in Section 4(C) hereof; (v) promptly upon

any action, suit or proceeding at law or in equity or by or before any governmental instrumentality or other agency which, if adversely determined, could materially impair the right of Maker to carry on business substantially as presently conducted, could materially affect its business, operations, properties, assets or condition, financial or otherwise, or could materially impair its ability to perform any of its obligations under this Note; and (vi) promptly upon any development in its business or affairs, including without limitation any changes, amendments, or modifications to existing contracts, which may materially and adversely affect Maker's operations, financial condition or ability to perform any of its obligations under this Note, disclosing the nature thereof.

G. Use its best efforts to possess and maintain all material intellectual property rights necessary to the conduct of its business and own all right, title and interest in and to, or have a valid license for, all material intellectual property rights used by Maker in the conduct of its business. Maker shall not knowingly take any action, or fail to take any action, which would result in the invalidity, abuse, misuse or unenforceability of such intellectual property rights or which would infringe upon any rights of any other individual, corporation, partnership, joint venture, trust or unincorporated organization (each, a "*Person*").

H. Maintain insurance, including without limitation key person insurance in an amount equal to or greater than the total principal amount of the Note, with financially sound and reputable insurance companies or associations in such amounts and covering such risks as is usually carried by companies engaged in similar businesses and owning similar properties in the same general areas in which Maker operates.

I.

give a representative of Lender copies of all notices, minutes, consents and other material that Maker provides to the Board, except that the representative may be excluded from access to any material or meeting or portion thereof if the Board determines in good faith, upon advice of counsel, that such exclusion is reasonably necessary to preserve the attorney-client privilege, to protect highly confidential proprietary information, to address a conflict of interest or for other similar reasons. Upon reasonable notice and at a scheduled meeting of the Board or such other time, if any, as the Board may determine in its sole reasonable discretion, such representative may address the Board with respect to Lender's concerns regarding significant business issues facing Maker.

J. Upon the reasonable request of Lender, duly execute and deliver to Lender such further instruments and do and cause to be done such further acts as may be necessary or proper in the reasonable opinion of Lender to carry out more effectively the provisions and purposes of this Note.

K. Indemnify, defend, and hold harmless Lender and the State of Indiana and their respective agents, officers, employees and representatives from all claims and suits for damages or loss or damage to property, including the loss of use thereof, and injuries to or death of persons, including without limitation any officers, agents, employees and representatives of Maker or its contractors, and from all judgments recovered therefor and for expenses in defending any such claims or suits, including

court costs, attorneys' fees, and for any other expenses caused by an act or omission of Maker or its grantees, contractors, agents, officers or employees in connection with performance of this Note or in the operation of Maker's business.

L. Comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. In connection with the foregoing, obtain and maintain all required material permits, licenses, and approvals, as well as comply with all material health, safety, and environmental statutes, rules, or regulations for its operations as may be required by any federal, state, local, or other governing and/or regulating body. Maker's acknowledgements, certifications, representations, warranties and agreements set forth in this Note shall in no way limit the generality of the foregoing. The enactment of any state or federal statute or the promulgation of rules or regulations thereunder after execution of this Note shall be reviewed by Lender and Maker to determine whether the provisions of this Note require formal modification.

M. Abide by all ethical requirements that apply to persons who have a business relationship with Lender, as set forth in Indiana Code § 4-2-6 et seq., Indiana Code §4-2-7 et seq., the regulations promulgated thereunder, Executive Order 04-08, dated April 27, 2004, Executive Order 05-12, dated January 10, 2005, and 25 Indiana Administrative Code 6, effective January 1, 2006. If Maker, or any of its agents, are not familiar with these ethical requirements, they should refer any questions to the State Ethics Commission, or visit the State Ethics Commission website at <http://www.in.gov/ethics/>. In addition to triggering an Event of Default, a violation of this subsection may subject Maker to penalties under Indiana Code § 4-2-6-12.

N. Allow Lender to confirm, at any time, that no liabilities exist to Lender (other than any obligation under this Note and the Promissory Note) or to the State of Indiana or any of its agencies. If such liabilities are discovered, then, in addition to triggering an Event of Default, Lender may bar Maker from contracting with Lender and the State of Indiana in the future, cancel existing contracts and withhold any requested Loan Installments until Maker is current in its payments on its liability to Lender or the State of Indiana and has submitted proof of such payment to Lender.

O. Disclose to Lender when an Interested Party (as defined below) is or becomes an employee of Lender. The obligation under this provision extends only to those facts that Maker knows or reasonably could know.

P. Make a good faith effort to provide and maintain a drug-free workplace. Maker will give written notice to Lender within ten (10) days after receiving actual notice that Maker or an employee of Maker has been convicted of a criminal drug violation occurring in Maker's workplace.

False certification or violation of the certification may result in sanctions including, but not limited to, suspension of Loan payments, termination of this Note and/or debarment of funding and other contract opportunities with Lender for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total amount set forth in this Note is in excess of \$25,000, Maker hereby further agrees that this Note is expressly subject to the terms, conditions and representations of the following certification:

This certification is required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana. Pursuant to its delegated authority, the Indiana Department of Administration is requiring the inclusion of this certification in all contracts with the State of Indiana in excess of \$25,000. No contract, the total amount of which exceeds \$25,000, shall be

made or be valid unless and until this certification has been fully executed by Maker and made a part of this Note.

Maker certifies and agrees that it will provide a drug-free workplace by:

(i) Publishing and providing to all of its employees a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in Maker's workplace and specifying the actions that will be taken against employees for violations of such prohibition;

(ii) Informing its employees of (a) the dangers of drug abuse in the workplace; (b) Maker's policy of maintaining a drug-free workplace; (c) any available drug counseling, rehabilitation, and employee assistance programs; and (d) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;

(iii) Notifying all employees in the statement required by subparagraph (i) above that as a condition of continued employment the employee will (a) abide by the terms of the statement; and (b) notify Maker in writing of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) calendar days after such conviction;

(iv) Notifying in writing Lender within ten (10) calendar days after receiving notice from an employee under subdivision (iii)(b) above or otherwise receiving actual notice of such conviction;

(v) Within thirty (30) days after receiving notice under subdivision (iii)(b) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) take appropriate personnel action against the employee, up to and including termination; or (2) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency; and

(vi) Making a good faith effort to continue to maintain a drug-free workplace through the implementation of subparagraphs (i) through (v) above.

Q. Use commercially reasonable efforts to (i) explore opportunities for any desired private funding of Maker with capital providers located in the State of Indiana, and (ii) spend all of the Loans disbursed to it pursuant to this Note with individuals residing within the State of Indiana or entities domiciled or having their principal place of business in the State of Indiana.

R. Diligently pursue the commercialization of any patented technology and/or copyrightable works produced using the proceeds of this Note and the Promissory Note. Further, Maker recognizes that Lender's primary objectives are to support proposals for economic development which are likely to: (i) increase the success of Indiana institutions of higher education, Indiana businesses and Indiana nonprofit corporations and organizations in securing research funding; (ii) transfer research and technologies into marketable products; (iii) assist with diversifying Indiana's economy by focusing investment in targeted industry clusters requiring high skill, high wage workers; and (iv) encourage an environment of innovation and cooperation among universities and businesses to promote research activity. Maker agrees that all activities supported with the Loans will further efforts toward accomplishing one or more of these objectives.

S. Obtain prior written approval from Lender whenever there are significant changes in the Project (as defined below) or in its direction, as follows:

(i) Lender intends to provide flexibility to Maker in the pursuit of its technology development/commercialization goals. However, a proposed change in the objectives of the Project must be communicated in writing to Lender by Maker along with a request for modification of the Project. Approval by Lender of any such changes to the Project shall not be unreasonably withheld, and if granted, must be memorialized by a written amendment to this Note signed by both parties hereto; or

(ii) The Project shall be performed under the direction of [REDACTED] (the "Principal"). If the Principal plans to or becomes aware that he will: (a) devote substantially less effort to the Project than anticipated in the application previously submitted to Lender (defined as a reduction of twenty-five percent (25%) or more in time); (b) sever his connection with Maker; or (c) be absent for a continuous period of three (3) months or more, or otherwise relinquish active direction of the Project, he and/or Maker shall, in writing, advise Lender of such circumstance. In the event of an occurrence of any of the foregoing circumstances, the parties hereto agree to attempt to identify and secure a mutually acceptable substitute for the Principal. In the event the parties are unable to identify and/or agree upon a mutually acceptable substitute within a time frame established by Lender in its reasonable discretion, an Event of Default shall have occurred under this Note.

5.2 Negative Covenants. For so long as this Note remains outstanding, Maker shall not, without the prior written consent of Lender (in addition to any other vote required by law):

Acceptance of this Note also signifies compliance with applicable federal laws, regulations and executive orders prohibiting discrimination in the provision of services based on race, color, national origin, age, sex, disability or status as a veteran. L. No Violation. Maker is not in material violation of its organization documents and Maker has not received notice and has no reasonable grounds to believe that it is in violation of any laws or orders that in any manner adversely and materially affect Maker's ability to perform its obligations under this Note. No Event of Default has occurred and is continuing.

M. Required Payments. Maker certifies by entering into this Note that it is not presently in arrears in payment of its taxes, permit fees or other statutory, regulatory or judicially required payments to the State of Indiana. Further, Maker agrees that any payments in arrears and currently due to the State of Indiana may be withheld from payments due to Maker.

N. Enforcement Actions. Maker warrants that it has no current or outstanding criminal, civil, or enforcement actions initiated by the State of Indiana pending and agrees that it will immediately notify Lender of any such actions.

Maker certifies, by entering into this Note that, to its knowledge, neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Note by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Note means an officer, director, or member of Maker. - (i) Representations and Warranties. The representations and warranties of Maker in this Note shall be true and correct as of the Issuance Date.

(ii) Performance; No Default. Maker shall have performed and complied with all agreements and conditions in this Note required to be performed or complied with by it prior to or at the time of Maker's execution of this Note and, after giving effect to this Note (and the application of the proceeds thereof as provided herein), no Event of Default shall have occurred and be continuing.

(iii) Proceedings and Documents. A copy of any other documents and instruments required to be executed in connection with the transactions contemplated by this Note shall be reasonably satisfactory to Lender, and Lender and its counsel shall have received all such counterpart originals or certified or other copies of such documents as Lender may reasonably request.

(iv) Fulfilling State Conditions. Maker acknowledges that Lender is a body corporate and politic of the State of Indiana and that all disbursements must abide by the requirements of the Indiana State Budget Agency and the Indiana State Auditor's Office and that Lender may not disburse funds under this Note unless Maker meets the state guidelines applicable to such requests.

Further, the parties agree that if the Director of the Indiana State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of this Note, Maker is entitled to no further disbursements under this Note. A determination by the Budget Director that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

SECTION 9 MISCELLANEOUS

A. Amendments. No amendment or waiver of any provision of this Note, nor consent to any departure by Maker herefrom, shall in any event be effective unless the same shall be in writing and signed by Lender and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

B. Severability. If any term, covenant or provision contained in this Note, or the application thereof to any Person or circumstance, shall be determined to be void, invalid, illegal or unenforceable to any extent or shall otherwise operate to invalidate this Note, in whole or part, then such term, covenant or provision only shall be deemed not contained in this Note; the remainder of this Note shall remain operative and in full force and effect and shall be enforced to the greatest extent permitted by law as if such clause or provision had never been contained herein or therein; and the application of such term, covenant or provision to other Persons or circumstances shall not be affected, impaired or restricted thereby.

C. Captions. The captions or headings at the beginning of any paragraph or portion of any paragraph in this Note are for the convenience of Maker and Lender and for purpose of reference only and shall not limit or otherwise alter the meaning of the provisions of this Note.

D. Expenses. Maker will pay the reasonable attorneys' fees of Lender incurred in connection with the negotiation and preparation of this Note and the Promissory Note [REDACTED]

E. Usury Savings Clause. It is the intention of the parties hereto to comply with applicable state and federal usury laws from time to time in effect. Accordingly, notwithstanding any provision to

the contrary in this Note or any other document related hereto, in no event (including, but not limited to, prepayment or acceleration of the maturity of any obligation) will this Note or any such other document require the payment or permit the collection or receipt of interest in excess of the highest lawful rate. If under any circumstance whatsoever, any provision of this Note or of any other document pertaining hereto will provide for the payment, collection or receipt of interest in excess of the highest lawful rate, then, ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such circumstances Lender will ever receive anything of value as interest or deemed interest by applicable law under this Note or any other document pertaining hereto or otherwise an amount that would exceed the highest lawful rate, such amount that would exceed the highest lawful rate shall be applied to the reduction of the principal amount owing under this Note or on account of any other indebtedness of Maker to Lender, and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal of this Note and such other indebtedness, such excess shall be refunded to Maker. In determining whether or not the interest paid or payable with respect to any indebtedness of Maker to Lender, under any specified contingency, exceeds the highest lawful rate, Maker and Lender will, to the maximum extent permitted by applicable law, (i) characterize any non-principal payment as an expense, fee or premium rather than as interest, (ii) exclude voluntary prepayments and the effects thereof, (iii) amortize, prorate, allocate and spread the total amount of interest throughout the full term of such indebtedness (including any extension or renewal) so that interest thereon does not exceed the maximum amount permitted by applicable law, and/or (iv) allocate interest between portions of such indebtedness, to the end that no such portion shall bear interest at a rate greater than that permitted by applicable law. Lender expressly disavows any intention to charge or collect excessive unearned interest or finance charges in the event that the maturity of this Note is accelerated. If at any time the Interest Rate or the Default Rate, as applicable, exceeds the highest lawful rate, then the rate at which interest shall accrue hereunder shall automatically be limited to the highest lawful rate, and shall remain at the highest lawful rate until the total amount of interest accrued hereunder equals the total amount of interest that would have accrued but for the operation of this sentence. Thereafter, interest shall accrue at the Interest Rate or the Default Rate, as applicable, unless and until such applicable rate again exceeds the highest lawful rate, in which case the immediately preceding sentence shall apply.

F. Governing Law; Venue. The construction and enforcement of this Note shall be governed by the laws of the State of Indiana, without regard to principles of choice of law and the venue for any court action shall be the circuit or superior court of Marion County, Indiana or the United States District Court of the Southern District of Indiana and Maker hereby consents to the personal jurisdiction of said courts.

G. Notices. Any notice, request or other communication required or permitted hereunder will be in writing and be deemed to have been duly given (i) when personally delivered, (ii) one (1) business day after being sent by a nationally recognized overnight courier service, or (iii) five (5) business days after being sent by registered or certified mail, return receipt requested, postage prepaid, to the parties at their respective addresses set forth below:

The receiving party will treat the information as confidential only if: (i) the information is in fact protected confidential information, such as trade secrets or privileged or confidential proprietary, commercial or financial information; (ii) the information is specifically marked and identified as confidential by the disclosing party; and (iii) no disclosure of the information is required by applicable law or judicial order.

I. This Note and the rights and obligations hereunder shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. The rights of Lender hereunder are freely assignable by Lender provided that such assignment is pursuant to an exemption from registration under the Act and applicable state securities laws, and Lender may, at any time, assign its rights in this Note without prior notice to Maker; however, Maker may not assign this Note, whether by operation of law or otherwise, or any rights or duties hereunder without Lender's prior written consent.

The written authorization must designate a financial institution and an account number to which all payments are to be credited.

Abstract Policies and procedures are the playbook for any healthcare organization. They define the care delivered to patients, they have a direct influence on a health organization's accreditation or licensing status, and they can make the difference in the outcome of any litigation involving patient safety incidents. Most healthcare organizations fall short. They distribute their policies to their teams in three ring binders or in cryptically-named PDF documents on network drives. The processes employed for reviewing them, approving them, and keeping them current as required by licensing agencies are typically manual and error prone. PolicyStat's policy lifecycle management solution for hospitals and other healthcare facilities delivers strategic business value to its customers. It supports higher quality of care by providing a vehicle to push out "best practices" and ensure consistency. It improves productivity by: shortening the distance between a caregiver and the information he or she seeks, automating manual processes, and providing an online collaborative environment for policy and procedure development. It also mitigates risk by: protecting an important knowledge asset, keeping policies and procedures current between licensing audits, and maintaining an online archive of prior approved versions of policies and procedures. To summarize, PolicyStat improves healthcare quality and decreases costs.

The Loan proceeds will be used for the purpose of increasing the company's investment in business development, product development, and customer support.

\$250,000.00

September 24, 2010 (“*Issuance Date*”)

FOR VALUE RECEIVED, PolicyStat, LLC, an Indiana limited liability company (“*Maker*”), having its principal place of business and executive offices located at 1311 West 96th Street, Suite 250, Indianapolis, Indiana 46260, hereby promises to pay to the order of the Indiana Economic Development Corporation, for and on behalf of the Indiana Twenty-First Century Research and Technology Fund (“*Lender*”), at its offices located at One North Capitol Avenue, Suite 700, Indianapolis, Indiana 46204, or at such other place as Lender may from time to time direct, in the amounts, at the times and subject to the conditions set forth in Schedule A attached hereto, in lawful money of the United States, a maximum principal sum of Two Hundred Fifty Thousand and 00/100 Dollars (\$250,000.00) (the “*Maximum Loan Amount*”) or such lesser amount outstanding as indicated on the schedule of loan advances set forth on Schedule B attached hereto and made a part hereof (the “*Loan Schedule*”), together with interest, attorneys’ fees and costs of collection and without relief from valuation or appraisal laws, all in accordance with the terms and provisions of this Promissory Note (this “*Note*”). This Note is being issued in conjunction with that certain Convertible Promissory Note, dated of even date herewith, by and between Maker and Lender, a copy of which is attached hereto as Schedule C and is incorporated herein by reference (the “*Convertible Note*”).

SECTION 1 PRINCIPAL AND INTEREST

A. Principal. The outstanding principal balance of this Note at any one time is the sum of all loan advances listed on the Loan Schedule (each a “*Loan Installment*” and, collectively, the “*Loans*”). The outstanding principal balance shall not exceed the Maximum Loan Amount. Each Loan Installment will be evidenced by a written notation of Lender on the Loan Schedule and will constitute a valid and binding obligation of Maker in accordance with the terms and conditions contained herein as of the time at which such notation is made; provided, however, any evidence of Maker’s receipt of a wire transfer of a Loan Installment or any other external evidence that such a Loan Installment has been received by Maker will be sufficient evidence and will constitute a valid and binding obligation of Maker to repay such Loan Installment to Lender pursuant to the terms of this Note.

B. Interest. Interest shall accrue on the outstanding principal balance hereof at a [REDACTED] (the “*Interest Rate*”). After the Maturity Date or during the existence of an uncured Event of Default (as defined below), interest shall accrue at a [REDACTED] (the “*Default Rate*”). Such interest shall be paid [REDACTED]
[REDACTED]

SECTION 2 PAYMENTS

A. Principal and Interest. Except as otherwise indicated in this Note, the entire outstanding principal balance of this Note, together with all accrued and unpaid interest thereon, will be due and payable on the [REDACTED] of the Issuance Date (the “*Maturity Date*”).

B. Prepayments. This Note may be prepaid by Maker in whole, but not in part, at any time prior to the Maturity Date provided that (i) written notice of such prepayment is received by Lender not less than fifteen (15) days prior to the date of such prepayment, or such lesser time as Lender approves in its reasonable discretion (which notice may be revoked by Maker at any time prior to the date of such prepayment), and (ii) such prepayment is accompanied by all interest accrued hereunder at the Default Rate through and including the date of such prepayment and all other sums due hereunder.

C. Application of Payments. All payments made by Maker under this Note shall be applied first to accrued and unpaid interest on the unpaid principal balance and the remainder to principal.

D. Cancellation of Note. Upon payment in full of the outstanding principal balance of this Note and accrued and unpaid interest and any premiums thereon, this Note will be automatically cancelled and Maker's payment obligations hereunder will be extinguished; provided, however, that the cancellation of this Note shall not affect the obligations of Maker pursuant to the Convertible Note; provided, further, in the event that the Convertible Note is cancelled prior to the cancellation of this Note, all obligations of Maker which are required by reference herein to the Convertible Note shall survive until this Note is cancelled.

SECTION 3 OTHER PAYMENT TERMS

A. Waivers. Maker hereby waives presentment, demand for payment, notice of non-payment, protests, notice of protests, notice of dishonor and all other notices in connection with this Note. No waiver by Lender shall be deemed to have been made unless such waiver is in writing and signed by Lender. Lender reserves the right to waive or refrain from waiving any right or remedy under this Note. No delay or omission on the part of Lender in exercising any right or remedy under this Note shall operate as a waiver of such right or remedy or of any other right or remedy under this Note. A waiver on any one occasion shall not be construed as a bar to or waiver of any such right or remedy on any future occasion.

B. Event of Default. For purposes of this Note, "*Event of Default*" means any one or more of the following events, conditions or acts:

(i) Maker fails to make any timely payment of any amount due under this Note or the Convertible Note within [REDACTED] of demand therefor;

(ii) except as otherwise provided herein or in the Convertible Note, Maker fails or neglects to comply with or to perform in accordance with any material provision, or a material breach by Maker of any of its covenants, representations or warranties, contained in this Note or any other agreement or instrument between Maker and Lender, including without limitation the Convertible Note, that is not cured within [REDACTED] after Maker receives notice of such failure; or

(iii) Maker (a) shall institute any proceeding or voluntary case seeking to adjudicate it bankrupt or insolvent, or seeking dissolution, liquidation, winding up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official, (b) shall be generally not paying its debts as such debts become due or shall admit in writing its inability to pay its debts generally, (c) shall make a general assignment for the benefit of creditors, or (d)

shall take any action to authorize or effect any of the actions set forth in this subsection 3(B)(iv); or

(iv) any proceeding shall be instituted against Maker seeking to adjudicate it a bankrupt or insolvent, or seeking dissolution, liquidation, winding up, reorganization, arrangement, adjustment, protection, relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official, and any such proceeding shall remain undismissed or unstayed for a period of ninety (90) days or any of the actions sought in such proceeding (including, without limitation, the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official) shall occur.

C. Remedies Upon an Event of Default. Upon and after the occurrence of an Event of Default, Lender shall have the right without presentment, notice or demand of any kind, to accelerate this Note and to declare all of the obligations of Maker under this Note immediately due and payable.

D. Additional Expenses. If this Note or any principal or interest thereon is not paid when due, whether by reason of acceleration or otherwise, and this Note is placed in the hands of any attorney or attorneys for collection (whether or not litigation is commenced) or for representation of Lender hereof in connection with bankruptcy or insolvency proceedings, Maker promises to pay, in addition to the other amounts due hereon, the reasonable costs and expenses of such collection and representation, including reasonable attorneys' fees and expenses. Until Lender is fully paid, such costs and expenses shall be added to the obligations of Maker under this Note, shall be payable on demand and shall bear interest at a rate equal to the Default Rate.

SECTION 4 USE OF PROCEEDS

Maker shall use all Loan proceeds received from Lender pursuant to this Note in accordance with the terms and conditions contained in the Convertible Note.

SECTION 5 CLOSING DELIVERIES; CONDITIONS

A. Closing Deliveries. Maker agrees to furnish to Lender, at or prior to the closing of this Note, in form and substance reasonably satisfactory to Lender:

- (i) the Note, duly executed by Maker;
- (ii) copies of resolutions of Maker evidencing approval of the transactions contemplated hereunder; and
- (iii) such other documents and instruments as Lender may reasonably require.

B. Conditions. In addition to providing to Lender the closing deliveries required by Section 5(A) in a form satisfactory to Lender, Lender's obligation to enter into this Note on the date hereof is subject to the fulfillment to Lender's reasonable satisfaction of the following conditions:

- (i) Representations and Warranties. The representations and warranties of Maker in the Convertible Note shall be true and correct as of the Issuance Date.

(ii) Performance; No Default. Maker shall have performed and complied with all agreements and conditions in this Note required to be performed or complied with by it prior to or at the time of Maker's execution of this Note and, after giving effect to this Note (and the application of the proceeds thereof as provided herein), no Event of Default shall have occurred and be continuing.

(iii) Proceedings and Documents. A copy of any other documents and instruments required to be executed in connection with the transactions contemplated by this Note shall be reasonably satisfactory to Lender, and Lender and its counsel shall have received all such counterpart originals or certified or other copies of such documents as Lender may reasonably request.

(iv) Fulfilling State Conditions. Maker acknowledges that Lender is a body corporate and politic of the State of Indiana and that all disbursements must abide by the requirements of the Indiana State Budget Agency and the Indiana State Auditor's Office and that Lender may not disburse funds under this Note unless Maker meets the state guidelines applicable to such requests.

Further, the parties agree that if the Director of the Indiana State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of this Note, Maker is entitled to no further disbursements under this Note. A determination by the Budget Director that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive. Such a determination shall not, however, serve as an acceleration of amounts due under this Note or otherwise require repayment of amounts previously disbursed (except as otherwise provided in this Note).

(v) Order of Distributions. Lender acknowledges and agrees that all disbursements to Maker shall be made first under this Note and second under the Convertible Note. In the event any disbursements are made first to the Convertible Note in contradiction of this Section, Lender acknowledges that such amounts shall be treated as if made under this Note and Lender shall have no conversion rights for such amounts under the terms of the Convertible Note with respect to such amounts.

SECTION 6 MISCELLANEOUS

A. Amendments. No amendment or waiver of any provision of this Note, nor consent to any departure by Maker herefrom, shall in any event be effective unless the same shall be in writing and signed by Lender and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

B. Severability. If any term, covenant or provision contained in this Note, or the application thereof to any Person or circumstance, shall be determined to be void, invalid, illegal or unenforceable to any extent or shall otherwise operate to invalidate this Note, in whole or part, then such term, covenant or provision only shall be deemed not contained in this Note; the remainder of this Note shall remain operative and in full force and effect and shall be enforced to the greatest extent permitted by law as if such clause or provision had never been contained herein or therein; and the application of such term, covenant or provision to other Persons or circumstances shall not be affected, impaired or restricted thereby.

C. Captions. The captions or headings at the beginning of any paragraph or portion of any paragraph in this Note are for the convenience of Maker and Lender and for purpose of reference only and shall not limit or otherwise alter the meaning of the provisions of this Note.

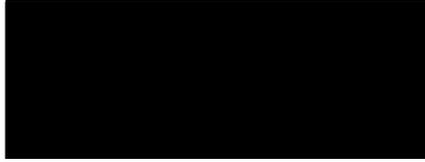

D. Usury Savings Clause. It is the intention of the parties hereto to comply with applicable state and federal usury laws from time to time in effect. Accordingly, notwithstanding any provision to the contrary in this Note or any other document related hereto, in no event (including, but not limited to, prepayment or acceleration of the maturity of any obligation) will this Note or any such other document require the payment or permit the collection or receipt of interest in excess of the highest lawful rate. If under any circumstance whatsoever, any provision of this Note or of any other document pertaining hereto will provide for the payment, collection or receipt of interest in excess of the highest lawful rate, then, ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such circumstances Lender will ever receive anything of value as interest or deemed interest by applicable law under this Note or any other document pertaining hereto or otherwise an amount that would exceed the highest lawful rate, such amount that would exceed the highest lawful rate shall be applied to the reduction of the principal amount owing under this Note or on account of any other indebtedness of Maker to Lender, and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal of this Note and such other indebtedness, such excess shall be refunded to Maker. In determining whether or not the interest paid or payable with respect to any indebtedness of Maker to Lender, under any specified contingency, exceeds the highest lawful rate, Maker and Lender will, to the maximum extent permitted by applicable law, (i) characterize any non-principal payment as an expense, fee or premium rather than as interest, (ii) exclude voluntary prepayments and the effects thereof, (iii) amortize, prorate, allocate and spread the total amount of interest throughout the full term of such indebtedness (including any extension or renewal) so that interest thereon does not exceed the maximum amount permitted by applicable law, and/or (iv) allocate interest between portions of such indebtedness, to the end that no such portion shall bear interest at a rate greater than that permitted by applicable law. Lender expressly disavows any intention to charge or collect excessive unearned interest or finance charges in the event that the maturity of this Note is accelerated. If at any time the Interest Rate or the Default Rate, as applicable, exceeds the highest lawful rate, then the rate at which interest shall accrue hereunder shall automatically be limited to the highest lawful rate, and shall remain at the highest lawful rate until the total amount of interest accrued hereunder equals the total amount of interest that would have accrued but for the operation of this sentence. Thereafter, interest shall accrue at the Interest Rate or the Default Rate, as applicable, unless and until such applicable rate again exceeds the highest lawful rate, in which case the immediately preceding sentence shall apply.

E. Governing Law; Venue. The construction and enforcement of this Note shall be governed by the laws of the State of Indiana, without regard to principles of choice of law and the venue for any court action shall be the circuit or superior court of Marion County, Indiana or the United States District Court of the Southern District of Indiana and Maker hereby consents to the personal jurisdiction of said courts.

F. Notices. Any notice, request or other communication required or permitted hereunder will be in writing and be deemed to have been duly given (i) when personally delivered, (ii) one (1) business day after being sent by a nationally recognized overnight courier service, or (iii) five (5) business days after being sent by registered or certified mail, return receipt requested, postage prepaid, to the parties at their respective addresses set forth below:

H. This Note and the rights and obligations hereunder shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns. The rights of Lender hereunder are freely assignable by Lender, and Lender may, at any time, assign its rights in this Note without prior notice to Maker; however, Maker may not assign this Note, whether by operation of law or otherwise, or any rights or duties hereunder without Lender's prior written consent.
